

## **Triton Hose Company**

**Route 6 Tunkhannock, PA**

**August 3, 2019**

This was an excellent picnic as expected. The pizza is excellent. The food is good. The entertainment is very good. Was able to park at the donut shop. Cost \$3 but was well worth it. They have a huge variety of food. Rides are available for the children. You can drink beer right in the firehouse. This is definitely one of the best of the season. Well worth the longer ride from Scranton.

## **Clifford Hose Company**

**Route 106 Clifford, PA**

**July 27, 2019**

This was a great picnic as expected. Parking was free and the attendants were very polite and helpful (hear that Covington). The food was great especially the roast beef. The saw carver was there and is very talented. The grounds are huge. The fireworks display was excellent and ended up with a huge fireball which was quite exciting. Like I always said this is one of the best of the year and this year was no exception. Only problem it is a long ride.

## **Dalton Hose Company**

**Route 6 and 11 Dalton, PA**

**July 13, 2019**

This is a very nice picnic. The food was good and varied. Parking was close by right on the fire company grounds. The rides were old and noisy but the kids seemed to like them. The band was good. They had plenty of baskets. The Chinchilla pizza was excellent. All in all it was a very enjoyable picnic. I will be back again. My only complaint is they should have signs on how to get back back to route 6 after leaving the grounds. The road is a little confusing.

## **Mary Mother of God Parish**

# **North Scranton**

**June 20, 21, 22, 2019**

**Not because it is my home parish. This truly is one of the best block parties of the year, and this year was no exception. All three nights we had very good to great bands. The food was delicious and reasonably priced. We had games for both children and adults. I want to thank everyone who stopped by at my Irish Poker table. The diaper derby was fun for the young children. The beer was ice cold and delicious. It was a great time for all. The only complaint I heard is that you had to park blocks away. All and all one of the best of the season as expected.**
